Notice of Allowance

This is the Notice of Allowance for application number 10/820,402 Vibration Damper with Amplitude-Selective Damping, filed on 4/8/04. Claims 1-4 and 6-16 are allowed.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach at least one amplitude-selective damping device providing damping separately from the at least one damping valve, the amplitude selective device having a housing which is axially movable in one of the work spaces, a second axially movably separating piston contained in the housing and separating the housing into a first and second work chamber and a bypass connection connecting at least one of the work spaces to the first work chamber in combination with a switchable valve controlling the bypass and a cylinder with damping medium and a piston rod guided in the cylinder.

Conclusion

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance." Any inquiry concerning this communication should be directed to Amy J. Sterling at telephone number 571-272-6823. The fax
